Wednesday-February 14th

It is a day to focus on all those things we **LOVE** and food is definitely on that list! We will celebrate, *in our PJs*, with a buffet of assorted "**red foods**" brought in by our Clubhouse Families that morning. Keeping with our message of making healthy choices, we hope to see lots of "growing" foods on our table☺

We appreciate all the creative contributions!!

MONDAY – FEB.19th

SCHOOL CLOSED!

A National Holiday to celebrate George Washington, Abraham Lincoln, and presidents of past & present ~

Wednesday – February 21st

An Interactive Storyteller will come to visit and celebrate our love of books, reading, and stories!

Wednesday - February 28th

THANK YOU to everyone for your generous donations!! Already the staff and animals have been putting those items to very good use.

We are looking forward to their visit so we can learn about all the wonderful ways they care for our animal friends and how they use what we brought in for them!
