

HAPPY BIRTHDAY!

Children everywhere LOVE the books by Dr. Seuss!! We will be celebrating Dr. Seuss's birthday all month long in each classroom. Children are encouraged to bring in their favorite story written by Dr. Seuss. Please be sure it's labeled as there are sure to be doubles. The teachers will also be sharing their favorite book by reading it to everyone during morning meeting.

CLOTHING DRIVE BEGINS MONDAY - MARCH 12TH

The end of the winter cannot come soon enough and it's right around the corner! As we continue through the year with our Kindness Curriculum, we usher in Spring with a little "Spring Cleaning". We will be collecting clothing of all sizes and seasons for members of our community in need. It's a wonderful opportunity for children and families to weed out the things they don't wear anymore and donate them to someone who can really use them. What a wonderful way to recycle and reduce the number of things that might otherwise be thrown away.

Just think - after a season of being cooped up inside it will sure feel good to clean out those closets and create space to breathe in the fresh spring air!

THANK YOU!

March at the Clubhouse is typically a month of magic & mischief along with the transition into Spring. It begins with the weeks leading up to **St. Patrick's Day** and the visit from some mischievous leprechauns! They like to play little tricks on the children who in turn create traps to catch them, all with the hopes of being granted 3 wishes!

We will then hold our annual "**Green Food Buffet**" on **Friday, March 16th**, to celebrate a **successful catch!**

It is also time to begin our work in the garden by planting the peas which traditionally must be in the ground by St. Patrick's Day!

Silver Lake Nature Center

Date To Be Determined

A friend from the center will come to visit and help us get in touch with nature 😊
