

**MONDAY -  
APRIL 2<sup>ND</sup>!**

**WELCOME BACK!!**  
We hope everyone enjoyed the  
Spring Break 😊

As the weather warms (FINALLY!) and Spring takes hold of the season, the children will spend time with their hands in the Earth. They will prepare the soil, plant seeds and vegetables, pull weeds, and connect with the growing process. While working with plants and growing food we can eat, the children will gain an understanding of both why and how we need to take care of the Earth. We look forward to celebrating the beauty and wonder of nature through our garden experiences together!

*The National Association for the Education of Young Children* has designated the month of April as the **Month of the Young Child**. The purpose is to put a spotlight on the need for setting high standards in centers and schools who educate children younger than kindergarten. This is a time to celebrate all that we do each day to bring quality learning and play into each young child's life.

At the Clubhouse we have set aside the week of April 16th thru the 20th as our **Week of the Young Child** 😊

Each day has a theme for the children to participate in learning, fun, and celebration!

<b>16</b>	<b>17</b>	<b>18</b>	<b>19</b>	<b>20</b>
<b>MONDAY</b>	<b>TUESDAY</b>	<b>WEDNESDAY</b>	<b>THURSDAY</b>	<b>FRIDAY</b>
Bubbles Balls Balloons	Ice Cream Sundaes	<b>SURPRISE!!!</b>	<b>CRAZY HAT DAY</b>	PIZZA & PLANTING
				

We are asking each child/family to bring in a small shade/sun plant for your child to plant in his/her class planter on Friday.
